

# PLAN 100

Approximately 4100+ square feet  
3-bedroom, 3½-bath, with den/library.  
Optional elevator and guest/maid's room  
with full bath.

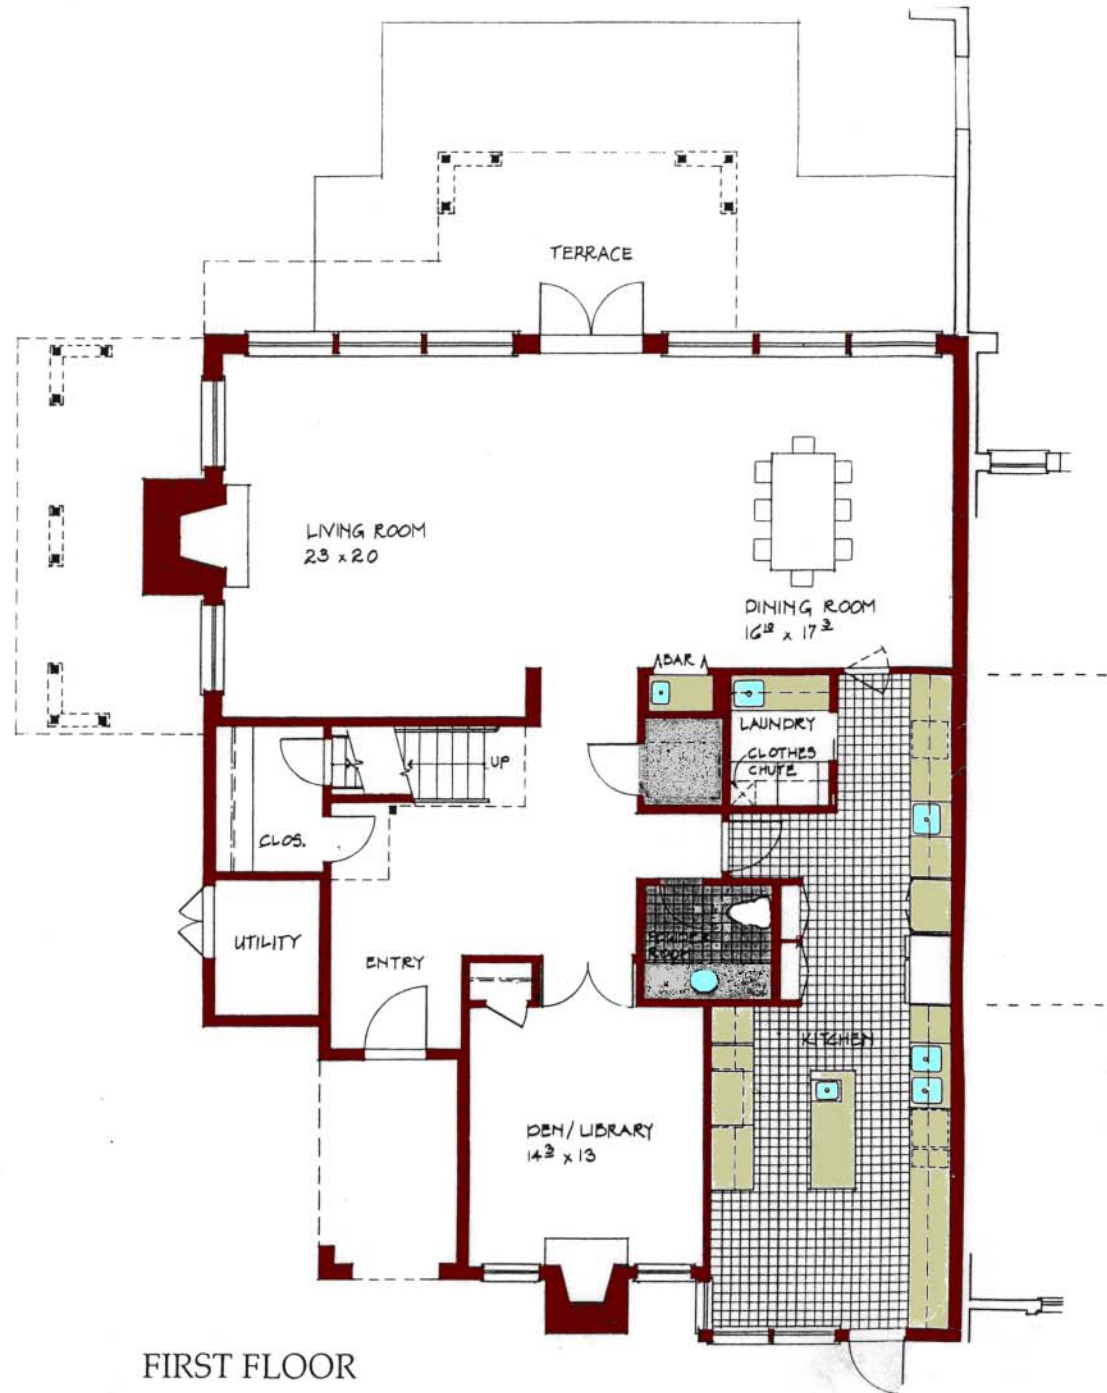

The largest residence is highlighted by an expansive living room and dining salon overlooking the rear terrace. The intimate den/library facing the courtyard garden is accented by a fireplace, and is offered as an optional guest/maid room with full bath.

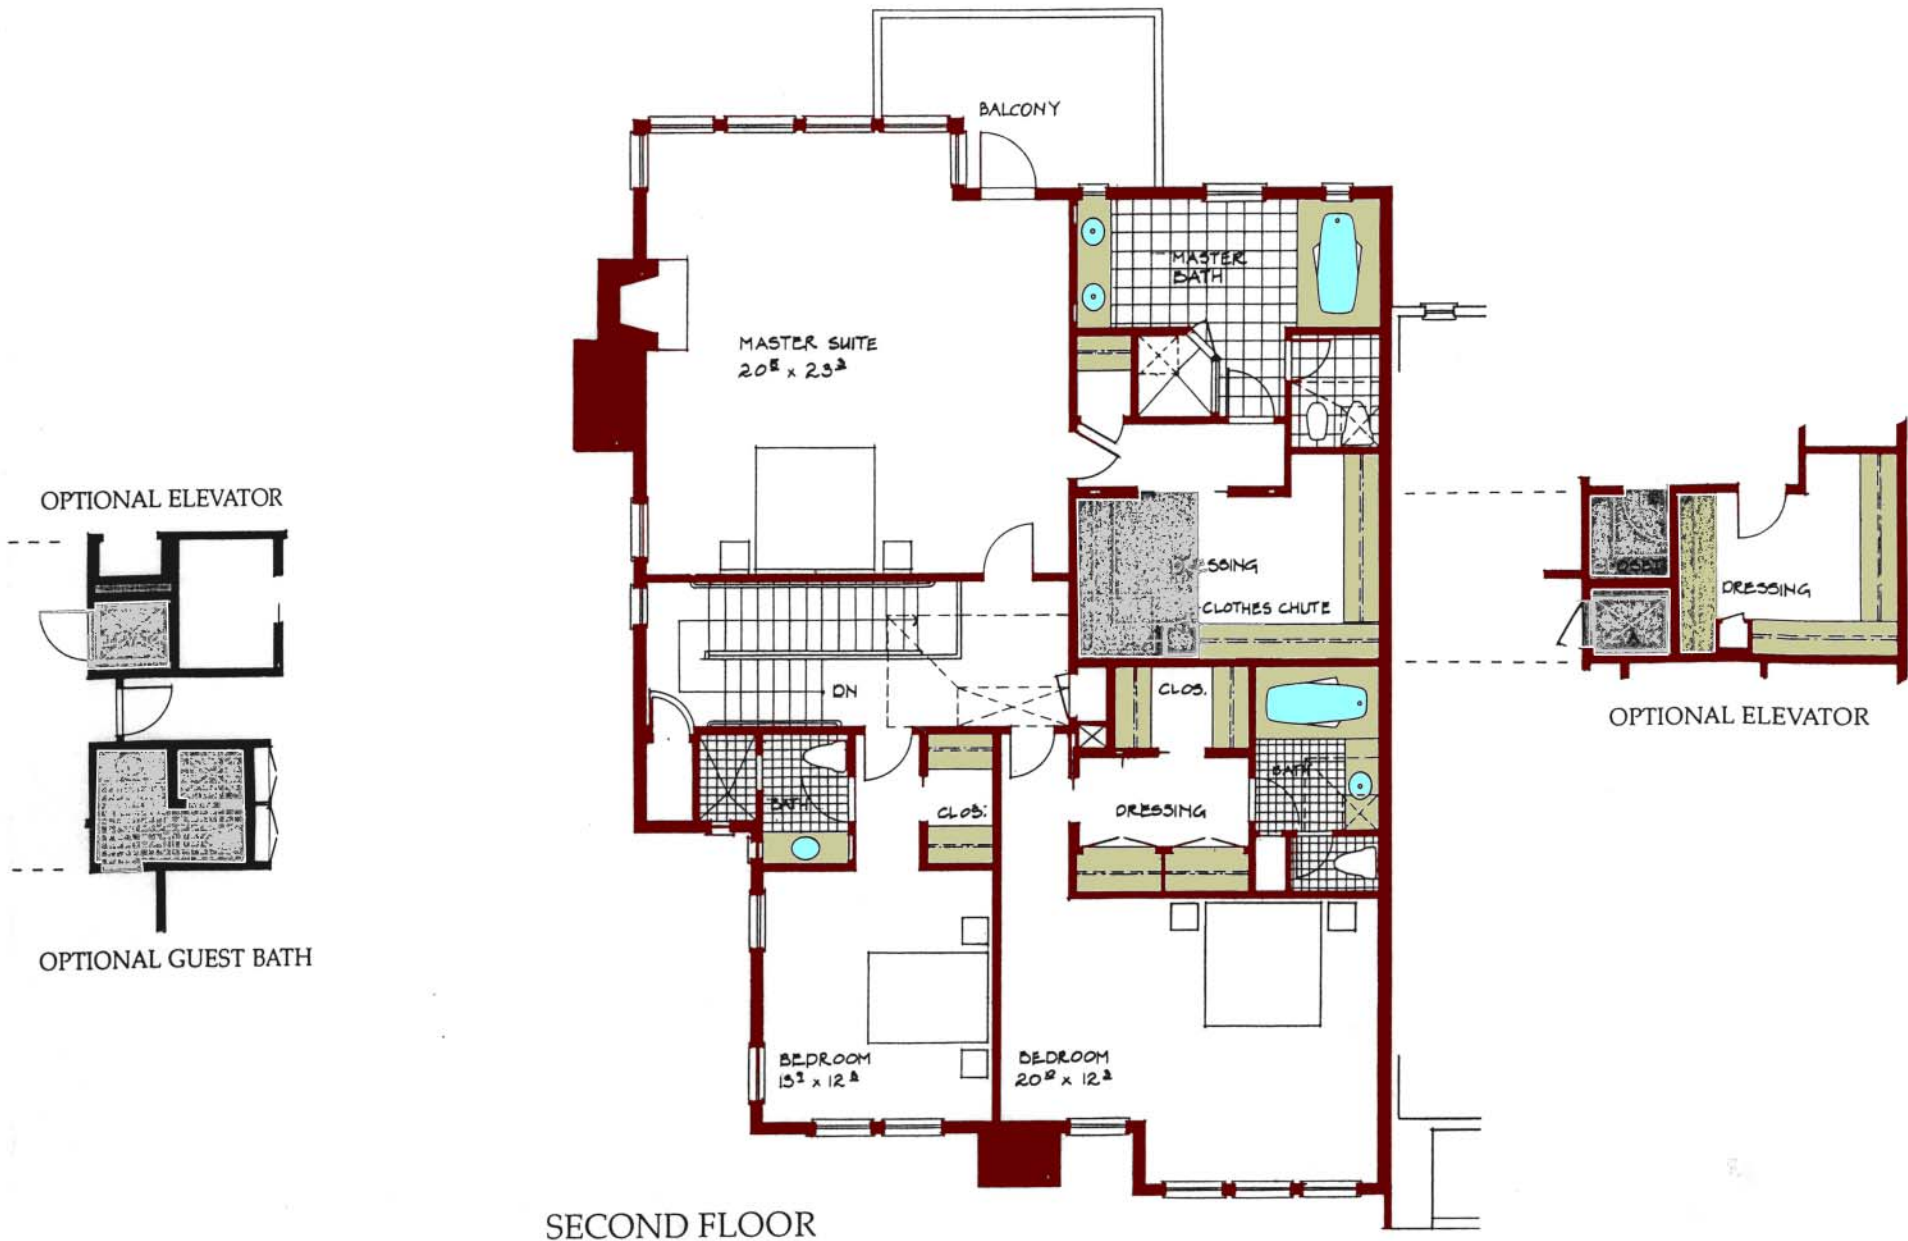

The upstairs quarters feature an exceptional master suite with oversized dressing area, fireplace and private balcony. A second master bedroom provides luxurious accommodations for guests and family.
